

Good pay local work flexible Hours

It's important that all people are counted in **Census 2000**. Our share of government support to roads, schools, health care and other services depends on this. Apply for one of the temporary part-time Census jobs. You'll be paid a good hourly wage, get mileage reimbursement and paid weekly. Best of all, you'll work flexible hours in your own community.

Call the Local Census Office or the toll free number now! **1-888-325-7733**
